Oluwanifemi Soetan (Olu)

Regina, SK | 306-501-8670 | oes712@gmail.com | LinkedIn

PROFESSIONAL SUMMARY

IT support professional with a Diploma in Computer Science, CompTIA Security+, and ISC2 Certified in Cybersecurity (CC). Hands-on experience with Windows, networking, Active Directory, and ticketing in a self-built enterprise lab. Strong customer service and documentation skills.

EDUCATION & CREDENTIALS

Diploma in Computer Science | University of Regina, Regina, SK | Graduated December 2025

Certifications & Technical Training

- CompTIA Security+
- ISC2 Certified in Cybersecurity
- TCM Practical Help Desk Course
- Cisco Networking Fundamentals
- Microsoft Certified: SQL AI Developer Associate (DP-800)

TECHNICAL EXPERIENCE

Homelab Cyber Range & Enterprise Support Environment – Personal Project

- Troubleshot Windows and Linux endpoint faults — login failures, password resets, software errors, connectivity issues — documenting root cause each time so recurring problems were resolved faster.
- Managed Active Directory user accounts, permissions, password resets, and Group Policy, keeping access accurate and controlled across the lab.
- Configured pfSense VLAN segmentation and access control rules, then monitored endpoints with Wazuh SIEM, investigating alerts to maintain visibility and limit exposure between network segments.
- Logged, triaged, and tracked requests in Peppermint, recording each resolution in knowledge base notes to eliminate repeat troubleshooting.

MFM Regina Church Website –Volunteer Front-End Development mfmregina.org

- Collaborated with a team of 4 developers to build and launch a live nonprofit website using HTML, CSS, and JavaScript.
- Maintains site operations by performing regular content updates and resolving layout/display issues.

PROFESSIONAL AND VOLUNTEER EXPERIENCE

Centre Assistant – Kumon Maths and Reading Centre *May 2024 – Present*

- Served as first point of contact by phone and in person, resolving inquiries professionally and routing requests to the right staff so families reached the correct person on the first attempt.
- Maintained accurate records for 20+ active client files through weekly audits, catching and correcting discrepancies before supervisor review and reducing downstream correction work.
- Performed daily data entry and record updates in cloud-based systems, keeping client information complete and current.

Computer Tutor (Volunteer) – Neil Squire Society *March 2026 – Present*

- Delivered 10+ one-on-one coaching sessions, translating technical concepts into plain language so adult learners could use Microsoft Office and Google Workspace independently.

Ambassador (Volunteer)— *University of Regina April 2023 – December 2025*

- Collaborated across departments to support registration and logistics for events with 100+ attendees, keeping operations running smoothly.
- Named Ambassador of the Month from 30+ volunteers for outstanding public relations and verbal communication.
